

## **Letter from the Chairperson of the Cabinet,**

Respected Members,

On 5<sup>th</sup> October 2019, 11:37 PM, S.H.I.E.L.D suspected up an unusual activity, later in the investigation conducted it was found that the place in question was a crash landing of an unusual vessel from which characters were found who claimed to be of a parallel Earth. According to the characters, an entity who goes by the name of Grandmaster, came to their Earth and held a contest in which all the protectors were put against the destroyers forcefully and when the destroyers triumphed, all the habitants of Earth were killed. The surviving participants of the contest escaped and somehow reached our Earth and now are warning us of the upcoming conflict. The secretary of S.H.I.E.L.D has convened a session in which all the protectors, destroyers or cosmic entities who listened are present. The Secretary requires concrete solution to this conflict and will keep informing the cabinet about any updates regarding the crisis.
